Responsibility Determination Respect

Friday 7th February, 2026

To all our Kelsey families,

This week, the fire engine from Caistor visited Cherry Blossom Class, as they have been learning all about keeping safe. They were able to hear the siren, see the blue lights and watch the hose in use. A huge thank you to the firefighters for joining us and to Mrs Stringfellow for arranging their visit.

Yesterday, the children had a blast watching Joe rock out whilst teaching the children all about Rock Steady and what they can offer. The children enjoyed discovering the different instruments they could potentially learn whilst hearing some classic songs that they all loved singing along with. Even the staff couldn't resist getting involved and had their very own moment in the spotlight! Letters with more information went out yesterday. If you have any questions about Rock Stead, please speak to Mrs Trotter who will be happy to help.

I had the pleasure of teaching in Oak Class on Wednesday afternoon. We were learning about the Hindu festival of Holi, which celebrates the arrival of Spring, love and the triumph of good over evil. During Holi celebrations, powdered colour is thrown to symbolise bringing colour into your lives. After several dreary days weather-wise, it was a lovely message to share and reflect on. The children created some beautiful Spring-inspired artwork using the colours associated with the festival.
